

DrainCorp PLUMBERS

- **QUALIFIED STAFF**
- **SAME DAY SERVICE**
- **COMPUTER BASED TRACKING FOR EFFICIENT SERVICE LEVELS**
- **EXCELLENT PRICING STRUCTURE**

DrainCorp PLUMBERS is plumbing contractor that operates in the Gauteng central area. For years plumbers have been skilled artisans which lacked in certain business skills and had no idea of customer service. **DrainCorp PLUMBERS** challenges this perception and will change the days of plumbers not pitching on time for appointments and sub standard workmanship. We understand the service industry and will ease you're day with our excellent service and workmanship.

DrainCorp PLUMBERS only uses SABS approved products as to provide customers with piece of mind and to avoid comebacks and unhappy clients.

DrainCorp PLUMBERS offers a seven day service.

DrainCorp PLUMBERS will attend to plumbing related matters in the East Rand, West Rand, Soweto, Midrand and Johannesburg South

DrainCorp PLUMBERS maintenance section specializes in sectional title complex maintenance, commercial properties(shopping centres) and industrial sites(Factories) which includes burst pipes, burst geysers, blocked drains (Machine cleaned) etc.

DrainCorp PLUMBERS construction section specializes in all new construction projects including residential, commercial and industrial sites.

DrainCorp PLUMBERS logs all calls on a computer managed system that ensures feedback and speedy repairs to all clients.

Some of our client base includes: BMG Group, Engen, Furnmart, KFC, Lumbercity, various property management companies etc.

DrainCorp PLUMBERS will service your company with the professionalism you expect from the industry.
